NOTICE OF MEETING

On Thursday, May 28, 2009, the Little Hoover Commission will conduct a public hearing on infrastructure policy and finance. The hearing will begin at 9 a.m. in Room 113 of the State Capitol in Sacramento.

In this study, the Commission is reviewing California's process for planning, financing and delivering infrastructure. At this hearing the Commission will learn about state leadership in infrastructure planning and financing. The Commission will hear from the director of the Department of Transportation about statewide transportation planning and coordination with local jurisdictions. The Commission also will get a legislative perspective on infrastructure planning and prioritizing from two state legislators. Finally, a UC Davis professor and director of the school's Institute of Transportation Studies will discuss planning for environmental sustainability and reducing green house gases as required by Assembly Bill 32 and Senate Bill 375.

There will be an opportunity for public comment at the end of the hearing. The Commission also encourages written comments.

Following its hearing and business meeting, the Commission will meet for lunch at California Pizza Kitchen, 16th Street and L Street in Sacramento.

All public notices for meetings are on the Commission's Web site, www.lhc.ca.gov. If you need reasonable accommodation due to a disability, please contact Stuart Drown at (916) 445-2125 or littlehoover@lhc.ca.gov by Thursday, May 21, 2009.
